Finish model numbers

Family	Black	Bronze	White	Tan
740	744	746	747	748
760	764	766	767	768
810	814	816	817	818

Sizes identify catalog configurations. Opening suitability and production dimensions require review. Finish names do not establish an exact match with another product line. A written quote confirms current pricing, lead time, delivery, and options.

SERIES 740

740 Operating Aluminum Storm Door

Product illustration. Finish, handing, and glazing confirmed by quote.

Finish models

Black 744 | Bronze 746 | White 747 | Tan 748

Before ordering

Record the opening width and height at several points, both diagonals, mounting depth, and hinge side viewed from outside. Specify the pre-hung option if required. Include quantity and delivery ZIP. Final production dimensions and the complete configuration must be approved in writing.

MEASURE, REVIEW, THEN ORDER

Your opening checklist

Use this sheet to collect planning information. Do not apply a universal deduction or treat an old slab measurement as the new frame opening. Final dimensions depend on the chosen assembly.

Opening / project	_____
Width: top / middle / bottom	_____
Height: left / center / right	_____
Diagonal 1 / diagonal 2	_____
Mounting depth / sill details	_____
Hinges viewed from outside	Left / Right / Please review
Family and finish model	_____
Glass / screen requirements	_____
Pre-hung option	Requested / Base not pre-hung / Please review
Quantity / delivery ZIP	_____

Photographs to include

Entire exterior opening; both jambs; head; sill; primary entry handle and available space; any damaged trim or planned repairs.

Check the written quote

Model, finish, final dimensions, handing, glazing, frame package, included hardware, delivery scope, current price, lead time, and applicable order terms. Installation is separate unless expressly included.

This catalog is a selection guide, not an installation manual. Use current instructions for the supplied assembly. No whole-door energy, wind, impact, or accessibility rating is inferred from these product descriptions.
